**Chinlink has Entered into a Letter of Investment Intent with Credit Finance  
Investing in a P2P Platform as a First Move into the Internet Finance Market**

[5 June 2015 - Hong Kong] Chinlink International Holdings Limited (“Chinlink”, HKSE Stock Code: 0997) and its subsidiaries (collectively the “Group”) is pleased to announced that, on 4 June 2015, the Group has successfully entered into a letter of investment intent with 深圳市信融財富投資管理有限公司 (“Credit Finance”) to subscribe 10% equity interest of the issued shares of Credit Finance with a total consideration of RMB60,000,000 (the “Proposed Subscription”). Within two years from the completion of the Proposed Subscription, the Group has the preemptive right to unilaterally increase its investment in Credit Finance up to 50% of its total capital. The Proposed Subscription is also subject to and conditional upon such conditions as may be agreed by both parties and the execution of the Proposed Subscription documents.

Founded in March 2012, in Shenzhen, Credit Finance is a P2P internet based investment and lending platform operator in China, matching private investors with small and medium enterprises (SMEs) and individual borrowers conducted via the website known as [www.xinrong.com](http://www.xinrong.com) (信融財富)

Mr. Siu Wai Yip, the Executive Director of Chinlink, said, “The current Chinese government puts a lot of emphasis on the implementation of an inclusive financing system (普惠金融), aiming to provide fair and equal access to financial services to all walks of people; and the development of Internet+ which refers to the application of internet information technology in conventional industries, including financial services. P2P online financing platform such as Credit Finance is a remarkable answer to these national priorities. Being an unique supply chain financial logistics services provider, Chinlink has to be forward looking in the adaptation of online financing solutions to complement with our existing financial setups. Investing in Credit Finance is an important strategic move for Chinlink in the new era of Internet+ in meeting with the market expectations.”

Despite its young establishment for only two years, Credit Finance is already an outstanding P2P operator in China. As of latest, Credit Finance stands at an overall ranking of 18<sup>th</sup> rated by Wang Dai Zhi Jia (網貸之家) ([www.wangdaizhijia.com](http://www.wangdaizhijia.com)), a national Internet Finance industry website; and the

30<sup>th</sup> in a report issued jointly by Rong360 ([www.rong360.com](http://www.rong360.com)) and Renmin University of China. This is a strong accreditation of Credit Finance's standing in the industry. Moreover, Credit Finance is the first amongst its peers to introduce VeriSign 256-bit SSL encryption data transmission technology to online financial platform, a highly important tool for security management in the internet environment. Credit Finance has strong in-house information technology development capabilities supported by a team of experienced professionals of financial and internet backgrounds, which is an valuable attribute for a successful internet enterprise.

The Group believes that the strategic cooperation with Credit Finance provides an unique opportunity to enter into Internet Finance market, reinforces the diversity of the Group's business, whilst continues to bring in synergies within each business segments, and further enhancement of shareholders' value.
